

Marketing Educators Program

Prospera is recognized in the industry for the true high-touch service provided to its advisors. We bring this same level of service and relationships to our partners. We feel that partnering with the best in the industry will benefit our advisors and their clients. While Prospera holds selling agreements with a broad spectrum of mutual fund and insurance companies to assist our advisors in accommodating the unique needs of their clients, we are selective about the companies we hold as partners. We have a comprehensive process of due diligence and wish to provide our advisors with a small number of companies who hold the same values, commit to unparalleled service and maintain a quality product line.

Becoming a Partner with Prospera Financial Services, Inc. allows access to our advisors, training and marketing opportunities and participation in conferences.

Currently, our Partners include:

First Clearing, LLC
First Trust
Cole Capital
CNL
FS Investments
Griffin Capital
Hines Securities
KBS
Pinnacle Insurance and Financial Services, LLC
